

BCE Skylert – Monday, March 16th – At Home Learning Updates

Parents & Guardians,

Please check our school website regularly for updated information: www.butterfieldcanyonelementary.org.

Just a reminder that students/parents are asked to only be on the school grounds to pick up lunches, devices (scheduling instructions are on our website now) or other learning materials needed at scheduled times. This will help us keep our employees, students and patrons safe.

There has been a change in times that lunches will be served. We will be serving "Grab & Go" lunches from **11:00-12:00 beginning Wednesday, March 18th**. Please look at our website for procedures details.
